

Chef Solus' Vegetable Foods - Match the Numbers

Count each food item then match it to the number.

The image shows five rows of cartoon vegetables and five numbered cards. Red lines connect the items to the numbers as follows:

- 5 corns are connected to the number 5 (yellow card).
- 3 garlics are connected to the number 3 (orange card).
- 4 carrots are connected to the number 4 (purple card).
- 2 radishes are connected to the number 2 (blue card).
- 1 beet is connected to the number 1 (pink card).
